

Artistes Actuels

Artistes Actuels is an independent art web magazine and online gallery devoted to contemporary art.

We feature interviews, artist profiles, and encounters with artists and art activators, along with curated pieces on artistic themes, in French and English.

A media & an art gallery

- Independent art web magazine
- Online art gallery
- Bilingual French-English platform
- Founded in 2021
- Interviews with artists and art activators
- Exhibitions and editorial projects

A loyal community

- 40,000 annual visitors, with average sessions lasting 2 minutes
- 1,500 newsletter subscribers, with a 60% open rate
- 6,000 social media followers
- A French and international audience: 40% in France, 60% abroad

Independent editorial choices

Artistes Actuels stands for a sensitive, rigorous, and accessible approach to art, spotlighting singular artistic practices, compelling journeys, and projects that deepen our perspective on contemporary creation.

At Artistes Actuels, no artist ever pays to be featured in an exhibition or interview.

Artistes Actuels

Meaningful collaborations with

- artists,
- gallerists,
- curators,
- collectors,
- critics,
- publishers,
- founders of art spaces,
- and, more broadly, all those who contribute to keeping art alive today.

Artistes Actuels chooses its collaborations carefully and with complete independence.
